

DECLARATION OF INTENT

We, the undersigned, are all current or former members of The Technical Operations Division, the Western Field Office, or the 1155 Technical Squadron which are, or were, subordinate units of the Air Force Technical Applications Center (AFTAC) which is a field operating agency of the United States Air Force. We constitute a Formation Committee whose purpose it is to create an alumni association of current and former members of AFTAC and its subordinate units to be located in Sacramento, California. There are two other alumni associations of this type, one located at AFTAC Headquarters, Patrick Air Force Base, Florida and another in Denver, Colorado.

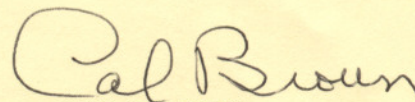

We have named this organization the, "AFTAC Alumni Association - West Coast Chapter". To this end we have prepared Articles of Association to provide for the organization and operation of the Association and have elected Officers and a Board of Directors to run the Association. The effective date of this Declaration is 15 FEB 1999.
