

# WFO/1155th TOS REUNION **NEWSLETTER**

P.O. BOX 1035, NORTH HIGHLANDS, CA. 95660-1035

Vol. 3, No. 1

February 1984

Mark your calendars, the countdown to the REUNION '85 has started! The planning committee has been actively working on our next fantastic reunion. It will be held June 6 through 9, 1985 right here in River City aka Sacramento, CA. We have reserved the Red Lion Inn for our activities and a block of rooms for out-of-town guests (the Red Lion Inn is one of the finest hotels in Northern California). A tentative schedule has been established: Thursday, June 6, there will be registration in the Foyer and a cocktail party in the Sierra Room; Friday, June 7, there will be registration, cocktails and dinner in the Thunderbird Room; also, Sunday Brunch will be served in the Thunderbird Room. In addition to the proceedings at the Red Lion we have plans for several other activities that will be scheduled depending upon your response to the questionnaire attached to the end of this Newsletter. Future Newsletters will keep you posted as the plans proceed.

\* \* \* \* \*

Meanwhile enthusiasm for the 1983 Reunion continued to pour in with requests for future Newsletters, and information regarding the next reunion.

\*George Antonio declares, "We are certainly planning on making the next reunion, sorry we couldn't attend the last one."

\*C.J. Havlik said, "I did enjoy the reunion and the visit to California. I only wish that a few more people could have found their way to the Holiday Inn. Hopefully we can get together again in 1985."

\*E. E. "Woody" Douthett exclaimed that "the reunion was a great success! Please keep us informed of any future activities." ED. Note: We will!

\*Gerald Cestarte "requests current and past newsletters to bring myself up to date with activities". No sooner said then done.

\*Paul M. Singhaus added, "I would like to express my appreciation for the work Mike Long and Bart Bias put into the 1983 WFO Reunion. The reunion was an eventful experience for me - renewing acquaintanceships of an exciting part of my life." (He also wants to know what "Duke" Miller's first name is?)

\*Chuck Vesely "enjoyed reading about everyone in the Newsletter."

\*George Myers, now in Shalimare, Florida, was sorry to miss the June '83 gathering but plans to make the next one. "Hope we see you there! I am honored to be included in such a distinguished group."

- \*Russ Sell couldn't attend the '83 Reunion as he was involved in coaching Little League Baseball last June, however he says, "I look forward to another reunion..." He has been working at the Seismographic Stations of UC Berkeley these last 21 years, on the engineering side of the operation.
- \*Dan Trainor informs us that "After my Air Force experience, I attended the University of Pittsburgh and received my Ph.D. in Physical Chemistry in 1972 (Gas Phase Kinetics), joined Avco Everett Research Laboratory and am currently Director, Short Wavelength Laser Programs."
- \*Don (Harold) Fletcher sent his congratulations to our '83 Committee as he and his wife Lue enjoyed the reunion so much.
- \*Ken Fisher in Hawaii wrote...."I missed '83, I do plan to be there for '85. Keep the words coming." We will, Ken.
- \*Martin Alexander enclosed his \$5 for the continuation of the Newsletter and says of the '83 Reunion, "Heard it was great!"
- \*Noah Holbrook got word of the '83 Reunion through Harold Mills, too late to attend "the meeting of the 'all stars', but God willing I'll be there for the next one." At his request we have added his name to the mailing list.
- \*"I'm interested in attending the '85 Reunion", says Art Dahlgren as he requests his name be added to the mailing list.
- \*Roy Carlson is complaining because he hasn't heard from us. "Anybody out there?! Haven't heard from you folks in quite awhile." O.K. Roy, here is your current Newsletter, hot off the press. Thanks for your interest.
- \*"Here is my \$5 for your fine Newsletter and another \$5 in memory of Al Connors. A thoughtful gesture from Harold Mills. (See page 4.)
- \*Duane Blevins sent us a change of address, he has moved from Sunnyvale to Los Angeles. He's Director of Engineering of Defense Support Program at Space Division, and loves it. (It's rumored that he is in the "Hollywood Air Force" now.)
- \*At the '83 Reunion, friends of Bill Cowan were concerned because he was not able to attend as planned. Bill had a heart attack that weekend. However, his friends will be glad to know that he is recovering from open heart surgery in his home in Diamond Springs, California, according to Ernie Henner.
- \*Cal Brown forwarded a letter from Linscott "Scotty" Hall who is living in Chevy Chase, Maryland. He sent a "small contribution (\$5) to help your administrative tasks." He goes on, "I did enjoy getting the last reunion news items and particularly the July wrap-up on who attended. It must have been great fun for you all. I wonder what happened to "Rex" Reilly (?) my pilot on so many flights. I would like to have his address if you know where "Rex" is...?" By-the-way, since retiring, Scotty has become an accomplished wood sculptor. Scotty, see the attached roster for Reilly's address.
- \*Finally, John Magness' letter expressed the feeling of all those who attended, and wrote regarding the Reunion:  
 "The recent WFO Reunion was truly an outstanding affair! Your personal efforts (Mike Long and Bart Bias) in bringing about this happening are greatly appreciated not only by us, but by all who attended. Being together once more was like a shot in the arm, providing former organizational members the opportunity to see old friends again and to

renew relationships. Time and distance have not diminished the special comraderie that existed in the past. It is still very much alive in the present!

In retrospect, the Open House experience was extremely interesting, bringing back many memories and giving us greater insight on the numerous changes that have taken place over the years. Building 628 has expanded into such vast proportions, it is unbelievable! As we listened to the review of accomplishments since WFO was established, we felt deep pride for having contributed in some measure towards mission objectives.

We are looking forward to seeing you at the next gathering....."

Our mailing list continues to grow...we now have over 365 alumni listed, but there are so many we have not been able to reach. If you can add names to our list (please include \$5) we will add them to the roster as there are many people from the past that we'd like to share the Newsletter with. Several names have been received without the \$5 (printing and mailing costs), if yours is one of those please mail your "subscription fee" to Lois Gaddis, Sec'ty-Treasurer, WFO/1155 Reunion, P.O. Box 1035, North Highlands, CA 95660-1035. The Newsletter really is a bargain, full of news of old friends as well as information regarding the '85 Reunion, and the added bonus of an updated mailing list.

I sincerely hope we reach some of these people, if you know their whereabouts why not tell them someone has been asking about them, and about the '85 Reunion and the Newsletter? Be great if we could add the above 85 to our mailing roster.

Along with other news, we have heard from various alumni about some of our friends and comrades that are now deceased. It is not easy to think about the loss of friends that have shared a part of our life, however we offer this portion of the Newsletter as tribute to them. Starting with this issue the names of deceased former members of WFO and the Squadron, or their spouses, will appear in the following ongoing column. We will show the year of death if it is provided to us.

\*\* REUNION '85 PROPOSED ACTIVITIES QUESTIONNAIRE \*\*

The Planning Committee has investigated several possible activities in addition to our cocktail party and banquet. We would like to obtain some feedback from you to determine the interest in the events prior to going forward with detailed planning or commitments. We have listed some of the proposed activities and would appreciate it if you would take the time to indicate your interest in them and send your responses back to us no later than June 1, 1984.

<u>ACTIVITY</u>	<u>YES</u>	<u>NO</u>
1. <u>Golf Tournament</u> : Followed by a catered buffet planned for Friday afternoon, June 7, 1985 at Lawrence Links. The ladies are invited. The Links is the McClellan AFB Golf Course (6,124 yards) and is considered to be one of the most challenging courses in the area. If you are interested in this event, we suggest you get your names on the list as soon as possible. Because of the limitation in numbers of participants, it will be necessary to organize the event on a "first come, first served" basis.	_____	_____

7. <u>River City Queen</u> : This is a two hour day cruise on the Sacramento River on a large river boat. Cost would vary depending upon the number of people that sign up for the cruise. The boat has a capacity of 100 passengers. Cost would be in the \$6 to \$12 range.	_____	_____

If you are interested in more than one tour, please indicate first or second, etc. choice. These tours may be conducted on consecutive days, or we may book a tour twice depending on demand. Again, please send your response no later than June 1, 1984.
