Summer Get-together – Clear Lake Cruise!

SUBMITTED BY GEORGE THOMPSON, Cruise Coordinator

Come join us on a cruise on the Clear Lake Queen, **Saturday, 10 August 2002**. The Queen is a three-deck paddlewheeler that carries 150 passengers with dining accommodations for 96 and a bar on the second deck. Clear Lake is the largest natural lake in California, with 127 miles of shoreline. Believed to be the oldest (4 million years) lake in North America, the lake and surrounding area abounds in Indian folklore. The three-hour cruise offers ample time to view the lake and surrounding mountains. Mt Konocti, although dormant, is still listed as an active volcano and is clearly visible from the boat. All dining tables have a window view. The on-board chef promises a delicious luncheon. Many will remember the good time we had on this cruise in April 2000.

The cruise, including lunch, tax and tip costs **\$30 per person**. Make reservations **by July 29th** by contacting George Thompson **707-994-4143**. Messages may be left on the answering machine. **Cruise time: 11 am to 2 pm**. Please be at the marina by 10:30 am. **Location: Lucerne Harbor Park, 6225 E. Hwy 20, Lucerne CA**. Mail check payable to **Clear Lake Queen** to George Thompson, PO Box 5025, Clearlake CA 95422 ---OR --- Call George with your reservations and pay cash, check, Visa or Mastercard at the boat.

If you'd like to spend the night, there are quite a few motels, resorts, RV park and the Twin Pine Indian gaming casino close by. Konocti Harbor Resort (800-660-LAKE) has a headliner show on Friday, Aug 9th. Clear Lake is about 100 miles (2-hour drive) from Sacramento. Interstate 5 to Williams, then State Route 20 is the easiest, most direct route. But, for a scenic drive along Cache Creek, take Interstate 5 to Woodland, then State Routes 16 & 20.

Spring Garden Party

Submitted by Al Pavik

We all had a good time on May 18th at the Garden Party. It was a really great get-together; over 60 members and guests attended. It was especially good to see **Herb and Jane Dettmer** there. All had a chance to participate in the "Closest to the Hole" golf tournament. John Kemna was the winner. We also had some "intense" horseshoe playing, especially the match between the team of **Ken Breitwieser & Bob Morrison** and the team of **Ken Denbleyker & George McAllister**.

We had a great meal, thanks to those who helped cook the hamburgers, hot dogs and bratwurst. A special thank you to those who brought the delicious hors d'oeuvres, salads and desserts.

EDITOR'S NOTE: WE ALL SINCERELY THANK AL & ANN PAVIK FOR THEIR GENEROUS HOSPITALITY IN HOSTING THE GARDEN PARTY.

"Second" Buster Jangle Reunion

Submitted by Joe Johnson

Participants in the 1951 Buster Jangle series of atomic tests in Nevada held their second reunion in Biloxi, Mississippi, 7 – 10 May 2002. The Biloxi location held special memories for the men as they had been stationed at Keesler AFB in Biloxi when they were assigned to the 1009th Special Weapons Squadron.

Almost everyone had problems recognizing Biloxi and Keesler AFB after 51 years. The old wooden barracks (how could one forget) on base are gone. An employee at the base exchange thought that one wooden building was still standing and used as a museum, how fitting. The only part of Biloxi that has remained the same is the wonderful white sand beach.

A great time was had by all and a one-day tour of New Orleans was an added attraction. Attendees were **Jerry & Kathy Collins, Lee & Dot Cotter, Bill & Shirley Sullivan, Charlie & Joan Soucia, Lou & Laura Orsatti, Ned Derkovits, Joe & Gayle Johnson, Henry & Sue Koons, Lee Barbour, Ed Carty, Bill Johnson, Tom Izlar & Laura Ross, Roger Grassl, Ted Hovick and Carl Raines.**

A special thanks to Jerry Collins and Leo Cotter for their hugely successful efforts in organizing the reunion.
