AFTAC REUNION 2005 JUST AROUND THE CORNER

By Al Pavik, Reunion Chairman

Reunion contacts are being made and it has been truly great to talk to all the prior AFTAC people. A person tends to forget what a great group of people we had/have in the organization. There has been real interest by many people and currently have over 100 people signed up (and still have over 50 days to go to the reunion).

Several people such as **William Brownlow** and **Charlie Cribbs** would love to attend but health does not permit and asked that we give the people their warmest regards. Did contact **Warren Wascher** who lives in Kent, Washington and he will be attending and singing the National Anthem during the Presentation of the Colors by the Travis AFB Honor Guard (this is truly special).

We ask each AFTAC member to think about your time in the organization and if you know of anyone who you would like us to provide info to or contact please let us know by contacting: **Al Pavik** (916) 797-1472, **Jack Allison** (916) 331-3891, **Joe Johnson** (916) 783-8676 or **Marge Iske** (916) 331-3766.

WEST COAST CHAPTER WEBSITE HAS IT ALL

By Bob Fitzgerald, WCC Webmaster

By now you should be very aware that the AFTAC Worldwide Reunion is 12-15 May 2005. In this newsletter, as well as on our website at < <http://www.AFTACwest.org/reunion> > you will find all the registration forms and some info about the events that are planned for this major event. **But who's coming to the party?** Well, one of the benefits of having a website is that we can post items to keep you up-to-date on lots of things that we cannot do by way of a mailed bulletin or newsletter. If you don't have a computer or an on-line connection to the worldwide web, maybe you can use one at your local library to check us out. On our website, in addition to all the forms and info about the reunion that you see in this newsletter, you will also find the latest listing of those who have registered to attend the reunion and in which events they plan to participate. We update this listing approximately weekly. With the reunion registration cut-off date (20 Apr 2005) quickly approaching, we expect we'll have a pretty complete attendee listing posted by the end of April. Our reunion page also has an email hyperlink for the reunion chairpersons, Al Pavik and Jack Allison. So if you have any questions just drop them an email note, or you can give them a telephone call at the phone numbers Al posted elsewhere in this newsletter. All of you know how special AFTAC was and is now. It's only so because of all the really special people that were, and are involved in the organization. We have a wonderful reunion planned for you and we are truly looking forward to seeing you all here in May. The weather should be wonderful in Sacramento during this time. ☺

***** NOTICE ***** NOTICE ***** NOTICE*****

If circumstances prevent you from registering to attend the alumni reunion prior to the cutoff date of 20 April 2005, this may apply to you. We have a small amount of wiggle room on the number of people we can accommodate. If you find you can attend after 20 April 2005, Call Al Pavik at 916-797-1472. We certainly can accommodate a small number of you and desire your attendance.

“F” TROOP – CHIEF FRANK GOODREAU PASSES

By Joe Johnson

It is with great sadness that I note the passing of CMSgt (ret) Francis M, Goodreau. Frank was a guiding member of the originating committee that started the Alumni Association's West Coast chapter. He continued his help for the chapter over all these many years and we will greatly miss him. While on active duty he spent many years at the 1155 TOS running the airborne F troop. In a recent Email a member referred to Frank as "Mister F". I think this points out the high regard that fellow members have for Frank and his dedication to the troops. I extend my and the Alumni Association's deepest sympathy to the Goodreau family

"WAY BACK WHEN" – NEW SERIES OF ARTICLES

By Dale Klug, Editor

We're starting a new series of articles for the newsletter called "WAY BACK WHEN". This will be patterned after the Florida Chapter's series in the Post Monitor called "B.S. (Barely Substantiated) TALES". We're inviting everyone to submit articles with stories from days-gone-by at Detachments, OLs, Depot, Squadrons, Headquarters or TDYs. So crank up your "WAYBACK machines" and send us an article. Remember to keep all the inputs unclassified. E-mail all proposed articles to me at: FalloutEditor@AFTACwest.org

WEST COAST CHAPTER ADDRESS CHANGE

In preparation for the 2005 reunion, we have changed our address to one more accessible to the officers & reunion committee. **Please note our new address on top of the front page.**

MAIL CALL

Don't forget our E-mail address: FalloutEditor@AFTACwest.org

Joe Johnson E-mail: I had a phone conversation with Jim "RED" Davis the first week of March 2005. His voice hasn't changed and I was reminded of the many times (over 40 years ago) we talked by phone when one or the other of us was TDY. I urged him to attend the upcoming Alumni reunion, but he said age was slowing his travel and he didn't think he could attend. I'm hoping he will come anyway. Jim wishes the best to his many friends.

Bill Huntенberg Jr: E-mail: I received my Life Membership today. THANKS! Can you send me a new member card, please? After graduating from SPINSTRА 1963, served at Det 205, Shemya. Back to SPINSTRА as Q-4 Instructor until 1966, then to Det 430, Blenheim, New Zealand. Released back to Air Force in 1970, and retired at Richards-Gebaur AFB, Grandview, Missouri 30 June 1974. There is absolutely no doubt that AFTAC (by whatever name) was the best and most satisfying job I had in uniform. Best Regards, and Thanks in advance. BILL HUNTENBURG; K7HIT@MSN.COM

Jim Lee E-mail: As much as we'd like to be there (at the reunion) with the troops, we have a new grandbaby due in May, and really don't want to be too far away. We also have a new grandson (2/22), and will be spending time with that group as well. I haven't heard any word from the others about the reunion in Sacramento, but will check into it. Take care. Jim Lee jfl46@bellsouth.net **Editor's Note: Sent Jim a reunion package & asked if his "Ole '702 Gang was coming to the reunion.**

Frederic (Skip) Lemmer E-mail: Dale, Your call last July was sure a pleasant surprise. Thanks for the history. I finished college after my discharge in July 67. I went to work for Honeywell as a chemical engineer and was able to work on the last vestiges of the APOLLO program and the first parts of the space shuttle program. They shifted me into ordnance work and I spent a lot of time building fusing, then the emphasis shifted to ammunition and we built the 40mm GAU-8 rounds for the A-10 aircraft. This ammo used depleted uranium armor penetrators and guess who got stuck as radiological safety officer along with the production responsibilities. Then a friend asked if I wanted to work with Sandia National Labs making and designing some of their widgets. so I spent the last 10 years there working with Sandia until, like you, I got caught in the 1991 no more nukes cutbacks. Then I took a series of fun jobs for very little pay but enjoyable workdays. I ran a garden center; worked for a sports company making and refining outboard motor lifts, and worked for K-TEL mostly goofing off. Unfortunately I have developed heart problems so I'm down to 12 hours a week sending out laminate samples for countertops. I haven't heard from Rollie Danielson in years. We used to see one another at the yearly Honeywell engineering day festivities. I'll check further into his whereabouts. Sorry to hear about your mother, take care. Skip Lemmer sslemmer@msn.com **Editor's Note: Sent Skip a reunion package**

Dennis Ramey E-mail: I'm living in Southern Maryland down where the Potomac River flows into the Chesapeake Bay. We're about 70 miles south of Washington, DC. I'm remarried. Vicki is from Detroit and we have twin 13-year-old boys. Maurya still lives in Denver and has two kids (girl and boy) and Greg lives in Wyoming and has two girls and a boy. Both are doing fine and have turned into very good adults. I don't see them nearly enough. Ruth Ann is remarried and she and Bill live in Alaska. Their home is inside Denali National Park and they work for the park. I am a consultant working for the Navy and the contractors that service the Naval Air Command at the Patuxent River Naval Air Station. Actually I've had some very enjoyable jobs over the past several years. I did a contract with the National Archives and one with the Supreme Court. Unfortunately, those kinds of jobs are located up in DC and the commute is terrible so I tend to stay down here and work the Navy jobs. I doubt if I'll make it out for the AFTAC reunion as much as I'd like to. I don't correspond with many of the guys any more. Graham and Karen Breck live out there in Sacramento. We worked together for a while back here in Maryland and trade Christmas Cards. I talk to Ray Copeland via e-mail occasionally. He and Ann are down in Texas. At one time, I was a Program Manager for a company that was headquartered in Melbourne, FL so I got with some of the people down there but I haven't even been there for five or six years. Contact info is as follows: 45864 Nancy Lane Great Mills, MD 20634 Phone: 301.866.5779 dkrramey@erols.com **Editor's Note: Sent Dennis a reunion package.**

Joe Martinez E-mail: Thanks Dale. Nice hearing from ya. I'll let folks I know on this end know. I'll send info to Danny Jamison, Marty Pavlovovich, and Bill Newcomb. Joey. Joe.Martinez2@LACKLAND.AF.MIL **Editor's Note: Sent Joe a reunion package.**

Al Koscheski E-mail: Thanks for forwarding message about Frank, Dale. Also about reunion. We're kinda tied up right now taking care of my mom...just brought her from Okla. to our home last week...unsure of our schedule for the next few months. We'll try to keep in touch. Thanks. God Bless & Love, Al & Joyce **Editor's Note: Sent Al a reunion package.**

John & Chris Horsch E-mail: Dale, Joe, Al, Thanks so much for all your efforts, in this case and all you are doing to reunite we Sages. We are going to be there if it is at all possible, and if we can't make it physically, we'll certainly be there in spirit and 'lift a glass.' We also know Dale will do a great job of reporting on the events in the 'Fallout' and will look forward to reading about the reunion whether we are there or not. Good luck and hope you get 150 or so. By the by ... Chris and I had fully intended to attend the reunion but, as we may have told you, we lost our fence and screened porch/pool area to the hurricanes last year. The fence has been replaced a long time ago but the darn screened area has been a dickens to get someone available to replace. So many porches were blown away, and most contractors felt they should take care of those they had built before starting new ones. Luckily we had started taking bids before the hurricane and one company, which we would have selected anyway, has agreed to take on the job. The downer is that they probably will be working on that around the time of the reunion. We feel we have to get them to do it when they can or risk waiting another several months. So far all they have been able to do is get the permit process started; following that they believe they can start in the next couple of months (April-June timeframe). So ...we are going to have to 'wait and see.' It has even crossed our minds, if the porch runs late enough but just does get done in time for us to go, we'd show up anyway and see if you guys could 'squeeze us in' on some of the events. Anyhoo ... the best laid plans, etc, etc. We are probably not going to be able to 'sign up' for the reunion and then see how it goes. John **Editor's Note: John & Chris are the Post Monitor newsletter editors.**

AFTAC Worldwide Reunions—History and Overview

Everybody loves a reunion – time to get together with old friends, make new friends, and see what everyone has been up to in recent years. As most of you already know, for a number of years, we've tried to hold a reunion about every two years, alternating between California, Colorado, and Florida. In 1999, the reunion was held in California and coincided with the closing of Tech Ops Division (a great weekend with a somewhat sad ending). In 2001, the reunion was in Colorado (another great weekend). In 2003, the reunion was held in Florida (a super time was had by all and no hurricanes). In 2005 the West Coast Chapter of the Alumni Association will host another reunion, and is already taking reservations. **Included with this issue are the AGENDA and REGISTRATION (both Hotel & Reunion) FORMS.** The agenda and registration forms will also be included in the Colorado and Florida alumni chapter newsletters and can be found on the West Coast Chapter home page (www.AFTACwest.org). Be sure to pass the word along to other LRD (AFTAC, AFMSW-1, 1009th SWS, AFOAT-1, and 1035th FAG) alumni who might not be chapter members.

Now is the time to pull out your 2005 calendar, and your checkbook. Next, you need to write in "AFTAC REUNION" for the dates 12-15 May on your calendar. Then, you need to fill in the following registration forms, write a check for the appropriate amount, and return your hotel registration to the HOLIDAY INN and reunion/golf tourney registration package to the WEST COAST CHAPTER (addresses on top of forms). If everyone does that, it will make the committee's job a lot easier. Early registration will make the planning simple. Remember, you can assure your spot by getting your registration in early (while doing them a big favor).

They have a terrific Reunion Committee, headed by **AL PAVIK & JACK ALLISON**, but can always use more help. If you would like to help out, please include a note with your registration.

To summarize what we need from you:

- Reserve your hotel room early **by calling the Holiday Inn** or by completing the enclosed hotel registration form, and returning it **to the hotel** with your check or credit card info.
- Register early for the 12 - 15 May Reunion by completing the enclosed registration forms and returning it with your check
- Volunteer to help the Reunion Committee.
- Pass the word along to others and encourage them to attend the reunion
- Attend the Reunion and have a great weekend.

AFTAC 2005 Worldwide Reunion at Holiday Inn Northeast, Sacramento CA

The reunion will be held at the Holiday Inn, Northeast, in Sacramento. They have 50 rooms reserved each night; May 12, 13, & 14, 2005 with checkout on Sunday the 15th; all rooms are "Kings" with possible switch to or addition of doubles, triples and double/doubles. All rooms are \$89/night plus 12% tax. Check-in: 4:00 PM; Checkout: 12:00 noon.

2005 Reunion Hospitality at Holiday Inn Northeast in the McClellan Suite.

As has been the case with previous reunions, we plan to operate a memorable hospitality room. We have a 3-room suite with a bar, which allows plenty of room for lots of bull sessions. This is the same facility we had for the last reunion and attendees spent many enjoyable hours there. We hope to have your favorite beverages and light snacks available for all. Of course, no charge other than what you might want to put in the can at the bar. If you have photographs or other memorabilia that you would care to bring, please do so; there will be lots of rooms for their display. Be sure to identify your property so it gets back to you when you depart. The reunion committee is leaving no stone unturned in turning out all alumni in this area. We urge the Florida and Colorado chapters to bring everyone. More people always equal more fun for all. We look forward to seeing you.

Golf Tournament at Diamond Oaks Golf Club – Friday 13 May 2005, 10AM-?

We will kick off the 2005 AFTAC West Reunion festivities with a golf tournament at the Diamond Oaks golf course in Roseville. Play will start at 1000 hours with a shotgun start. Lunch can be purchased at the clubhouse when turning the front and back nines for those who opt not to drink their meal. We will have a short program awarding prizes immediately following play. Cost is \$44.00; which includes the round of golf, cart, and prizes. The format will be Select Shot (Scramble) with unbiased team handicapping done by the tournament director(s) if sober. If you do not have a team, that is not a problem. You can sign up as a single player and be placed on an open team. In fact, we will like to have lots of single players, as this will give us the opportunity to meet and greet our friends from the past. We will be limited to 144 players. We believe that we will have more than 144 players so please get your reservations in early. Reservations can be made by completing the registration form or by contacting **Butch Kemna** (major arranger of this tournament) Phone: 916-722-8509, Email: jklk@mindsync.com or **Charlie Penn** Phone: 916-624-1067 Email: chaspenn@starstream.net.
