IT'S SPRING PICNIC TIME AGAIN

by Charlie Penn

ATTENTION TO ORDERS: You are hereby ordered to report to the Foothill Farms Community Park @ 5510 Diablo Drive in Sacramento on 19 May 2007, 1100 – 1700. It is time for the 3rd Annual AFTAC Spring Picnic where burgers are dropped but are wiped clean on the cook's handkerchief (errrr... slightly soiled) and the dogs are wagging their tails. The past picnics have been a huge success with the food undercooked or burnt but the camaraderie second to none. **The alumni association will provide the burgers, dogs, condiments, paper plates, soft drinks and water.** (Adult beverages will not be provided but you may certainly bring your own; we will have ice chests for your beverages) You are asked to provide the desserts, side dishes and chips & dips and to register for this festive event so we know how many Roloids to provide. The venue is covered and will accommodate over 100 hungry, belligerent folks. Bring your war stories, appetite, camera, and some sort of decorum for this once a year extravaganza. (If you are a no-show you will be badmouthed). See you there!!!

All past & present AFTACers and families are invited.

So, you ask, how do I make sure that there will be room for me? Well, not a problem!
(1) Count how many people will be attending in your party,
(2) Fill out the form making sure you enter the number or attendees and mail it or go to our website and fill out the picnic form and e-mail it.
(3) Bring a hearty appetite and collection of war stories. We will see you there!!!

Editor's Note: Look for the Picnic Sign-up Form in this issue.

COMPLETE REGISTRATION, AGENDA and INFORMATION PACKET IN THIS ISSUE !

WORDS FROM THE PREZ

by Joe Johnson, President

Have I got a deal for you! Details of our Spring Alumni Picnic and a sign-up form are in this newsletter. You and your guests are welcome. There is no cost to you, other than bringing a salad, dessert, baked beans or the like to share with others. We have a covered pavilion so that you can sit in the shade if you desire. We normally see about 50 attending this event but, we can accommodate double that with ease. Come on out and join your friends and fellow alumni for a day of fun.

I'm looking forward to seeing all of you at the picnic and most of you at the AFTAC 60th Anniversary Reunion in June 2007 at Denver. Many thanks!

WAY BACK WHEN

by Dale Klug, Editor

We've started a series of articles called "WAY BACK WHEN". This will be patterned after the Florida Chapter's series in the Post Monitor called "B.S. (Barely Substantiated) TALES". We're inviting everyone to submit articles with stories from days-gone-by at Detachments, OLs, Depot, Squadrons, Headquarters or TDYs. **Crank up your "WAYBACK machines" and send us an article.** Remember to keep all the inputs unclassified. E-mail all proposed articles to me at: FalloutEditor@AFTACwest.org or snail-mail to: P.O. Box 3974, Citrus Heights, CA 95611-3974.

Editor's Note: We had no submissions for "Way Back When" this issue. The missing name in last issue's photo of the B, O and I systems Engineering Section is Bruce Deffler and SSgt Wisely's first name is 'George'. I sent Bruce a clearer copy of the photo & here's what Bruce had to say:

Yep, that's definitely me. The picture had to be taken prior to June 1970 which is when I was discharged. What's messing with my mind is Dale Klug is just to my right. Also I worked with SSgt Wisely on the I System Signal Correlator which was similar to the old VCR rotating head that in essence sampled the VLF signal and sped it up so it could be analyzed. I can remember systems, but not names! Thanks for your copy, much clearer. I remember Capt Haase & Ed Chase and I worked with SSgt Wisely. At the time I was a short timer and not paying too much attention to those around me. In fact you're standing next to me and I'm embarrassed to say I never picked up on the fact we had have known each other, at least in passing. Looking at the picture has jogged a few memories and I'm definitely looking forward to talking to you. What is so ironic is that we both ended up associated with publishing newsletters for the alumni. The time frame for the picture is between April – June of 1970. Over the years I've tried to track down some that I was stationed with, but all were single enlistment airman and none that I've been able to find in the Alumni roster. I doubt if any even realize the organization exists. **Bruce Deffler**, Cell 303 601-9130, Office Direct 720 240-2706, bhdeffler@sudiweb.com
Editor's Note: Bruce is the editor of the Colorado Chapter's newsletter, "ECHOES".

Who Said That??

by Dale Klug, Editor

Income tax has made more liars out of the American people than golf.
Politics has got so expensive that it takes lots of money to even get beat with.
We can't all be heroes because somebody has to sit on the curb and clap as they go by.

Do you think you know who the above quotes came from? Send your best guess to: FalloutEditor@AFTACwest.org 1st person to send in a correct answer gets a free adult beverage at the picnic. Last issue's quotes were from Yogi Berra.

AUTH, William John, Lt. Col. USAF (Ret)

William John Auth answered the Last Roll Call from his home in Citrus Heights on 3 March 2007. An unforgettable and proud Grandpa of Jessica and Jeffrey Proulx, Christine and Patrick Kerns, Kelsey and Logan Taylor. Honorary Grandpa for Megan and Robert T. Carter. Friends are invited to Bill's home to share memories on Saturday, 31 March from 1-5pm. Published in the Sacramento Bee from 3/7/2007 - 3/8/2007.

DRAKE, William Franklin

Son of Arthur Thomas Drake and Iva Louella LeGore; brother to Thelma Bollinger; and uncle to Robert Bollinger passed away peacefully the 28th of February 2007 at home due to complications from Lymphoma. His wife Lori was, as she had been most of Bill's life, with him in his final moments. Bill was born in Gettysburg, Pennsylvania on April 20, 1936. In 1954, he entered into the United States Air Force and was posted at McClellan Air Force Base in Sacramento, CA with the 1155th Technical Operations Squadron. While on leave during the spring of 1960 in Sacramento, Bill met and fell in love with Loretta Towner. In April of 1961, they were wed. In 1964, Bill retired after 10 years of service from the USAF with the rank Staff Sergeant and began his 31-year career at Campbell Soup that culminated in his becoming Area Manager-Can Plant. During this time, Bill and Lori had two children, son Donald and daughter Cheryl. Both of his children afforded him the opportunity to discover his next great happiness, that of grandfather. Bill witnessed his granddaughter Neala graduate high school. Bill spent many hours playing chess, discussing airplanes and history with his grandson Liam. Bill's love of history drew him into a lifelong fascination with Civil War history. Through the years, Bill's

personable, inquisitive, and caring character earned him many friendships, which he was able to carry over into his work with Sons in Retirement Inc. (SIRS). In his retirement, Bill also loved the outdoors and especially playing golf. Plans are pending for a Celebration of Life in April of 2007. AFTAC WORLDWIDE REUNION 2007 DENVER, CO

OVERVIEW

AFTAC 60th ANNIVERSARY (1947 – 2007)
ALUMNI WORLDWIDE REUNION, 7 – 11 JUNE 2007

Yes, it's time once again; time to get together with old friends, make new friends, and see what everyone has been up to in recent times. Sound familiar? As you know, we've been holding a worldwide reunion every two years, alternating from Florida to California to Colorado. Having held highly successful reunions in Florida in 2003 and again in California in 2005, it's now time to come to Colorado in 2007 and we are ready to start taking reservations. Included with this issue of the newsletter is this overview, hotel information, and registration form. This information can also be found on the Florida, California, and Colorado websites.

What we need from you: mark your calendars now for 7 – 11 June 2007, register early by completing the registration form and returning it along with your check, reserve your hotel room by calling the Doubletree Hotel Denver, and please pass the word along to other alumni who might not be members of one of the alumni chapters. Chapter membership is not required to attend the reunion. Early registration will allow better planning by the reunion committee and some planned activities are tentative depending on the responses we get on the registration forms. If you have any questions, please contact one of the committee members listed at the bottom of this page & the registration form.

Hospitality: We will have a hospitality room in the Doubletree Hotel open daily beginning Thursday evening, 7 June. This is where you sign in and pick up your welcome package. Information will be available in the hotel lobby as to its location. Name tags will be provided in this package so please list names on the registration form as you want them to appear on the name tags.

Golf Outing, Thursday afternoon, 7 June: This is a tentative item depending on the number of people signing up for it. It will be arranged by Jack Smith and Det 45 personnel and transportation may be provided. Cost is listed at \$50 on the registration form and refunds will be made if the actual cost is less or the event is cancelled due to lack of interest. POC is Jack Smith.

Windshield Tour of the Lowry Campus, The New Fitzsimons, and Buckley AFB, Friday and Saturday mornings, 8 & 9 June: This is also a tentative item depending on the number of people signing up for it. It also is being arranged by Jack Smith and Det 45 personnel and transportation may be provided. Yes, the old schoolhouse is still in use on Lowry and the old hospital is still being used on Fitz (but not as a hospital), and that's about all that will look familiar. Almost everything on Buckley is new and no longer resembles its past.

Icebreaker, Friday evening, 8 June: Doubletree Hotel, AFTAC Ballroom, informal mixer with heavy hors d'oeuvres and cash bar. Dress is casual.

Banquet, Saturday evening, 9 June: Doubletree Hotel, AFTAC Ballroom, social with cash bar followed by sit-down dinner with choice of prime rib or Chicken St. Michelle entrees. Program includes guest speaker and possibly DJ music with dancing.

Breakfast Buffet, Sunday morning, 10 June: Doubletree Hotel restaurant off the lobby, pay cashier, bid farewells.
